Currently Reads:

a. Take and maintain records of minutes of all meetings of the District, the Board, and the Executive Guidance Committee.

If Adopted Will Read:

a. Take and maintain records of minutes of all meetings of the District and the LD13 Board.

Rationale:

The phrase "Executive Guidance Committee" generally refers to the MCRC governing committee. The LD13 Recording Secretary does not attend those meetings on a regular basis nor should they be responsible for taking minutes at those meetings.
