If Adopted Will Read:

To District PCs as they become official, either by the results of the election process during the Primary election in even number years, or by appointment by the MCRC Chair.

Rationale:

MCRC counsel has stated that the MCRC Chair has the authority to appoint PCs. All PCs should be included in receiving notifications upon becoming recognized as an appointed PC or elected PC, rather than waiting for the Recorder's office to publish their names in the PC138B which may take an additional 2-3 weeks.
